

PETITION

The FEI Dressage Committee decided that CDIW Mechelen will not be one of the organisers of the 'FEI World Cup Dressage QUALIFIER' as of 2012-2013.

For 14 years, CDIW Mechelen invested his own funds and promoted the 'FEI World Cup Dressage' with success.

The FEI Dressage Committee decided that the total number of World Cup qualifiers has to be reduced from 10 to 8.
From these 8 Qualifiers, 4 are in Germany and Holland (50% ?).

The FEI Dressage Committee gave as main reason for this decision, the fact that CDIW Mechelen is always held immediately after Christmas, and riders and trainers think the date is not attractive.

No doubt, you understand that CDIW Mechelen is extremely disillusioned and that this is a punch in the face, not only for the Organising committee but also for the tens of thousands of enthusiastic Belgian dressage fans!

We hope that you support us with this petition!

Yes I support to have a World Cup Qualifier in Mechelen between Christmas and New Year, and Yes I will compete there when possible
